President's Remarks

BY HARVEY BAILEY, PRESIDENT

- ▶ How do we put our prolife focus into action? Prayer, financial support, or political activity may be done at any time.

We can become more informed on current issues; such as euthanasia (watch the documentary Fatal Flaws), the Ontario 'bubble law' around abortion sites, or the government policy on summer job grants linked to a pro-abortion attestation. This is not an exclusive list - many more could be added.

What are some key activities happening through Hamilton Right to Life?

On May 10, HRTL sent a bus of 44 pro-lifers to Ottawa to join many thousands more at the March for Life centred on Parliament Hill. Were there a few others there with a pro-death perspective? Yes, and, undaunted, the pro-life marchers continued on - readily, cheerfully, prayerfully. We must not falter on the path of expressing our support for those who cannot defend their own lives.

With the support of so many of you, we have promoted the pro-life cause in many venues: print ads, billboards, radio ads, media sites. We will continue to engage in more educational publicity.

On Thursday Sept. 20th to Sunday Sept. 23rd, we will have an information table at the Ancaster Fair. On Sunday Sept 30th, we will hold the Life Chain at four sites around Hamilton. On Wednesday Oct. 17th, we will be hosting our annual Respect Life Fundraising Gala at Michelangelos – featuring Lorna Dueck, from Crossroad Christian Communications in Burlington, as our guest speaker. Please consider joining us for these meaningful occasions!

Looking ahead to 2019, plans are already starting for our annual January prayer vigil, a coffee night with a notable guest speaker, and the March for Life in Ottawa. In 2018, we had a substantial gift to help offset the cost of the bus. Are there any of our supporters willing to offer a repeat of such a gift for 2019?

As mentioned above, there are many ways of advancing the cause of life. None of us can do it all; not as individuals, and not through some Right to Life activities. However, each of us can keep our focus and keep finding ways to expand our influence. The vulnerable need our clear and constant support.

Fall Educational Campaign

BY MARY TOGERETZ

Hamilton Right to Life is gearing up for the beginning of our next blitz! With our spring campaign successfully behind us, and summer drawing to an end; HRTL has begun another blitz on educating the public. This includes billboards in various locations around the city; newspaper ads in the Spectator weekend papers; and radio ads on 102.9 K-Lite FM. This campaign will begin mid August and run through to mid December. We hope and pray these messages will reach the hearts and minds of those in the Hamilton area on the sanctity of human life. We are so very grateful to our many donors and supporters who make this possible! Make sure to keep an eye and ear out for our ads and let us know what you think about them! Feedback is always welcome.
